Thank you to our P&C for the yummy lunch last term. Some of the beautiful fruit left over was shared around the next day.

Agenda items for the next P&C meeting on Tuesday, 6 November 2018 will be school camp, Year 6 disco and our swimming program. We hope to see everyone there.

## What else is happening .....

Our Kindergarten transition to school program will run for a few weeks this term. Any children enrolling for 2019 will need to complete an enrolment form and provide copies of required paperwork as specified in enrolment papers. Dates will be advised once we have enrolment forms.

We will be holding a school camp on Thursday 15th and Friday 16th November here at school. The theme will be sustainability and we will be making some recycled artworks. More information shortly.

The Life Education Van will be visiting our school in Week 5. There will be no cost to parents however you can support Life Education by ordering merchandise from the attached form.

The Department has issued instructions that all students must attend school up to the last day of Term 4 which is Wednesday, 19 December 2018. As we prepare for our concert and end of year activities, it is important that everyone attend school every day. Remember you need good attendance to try and beat Nathan this year!
