Public Schools

Some book week characters from our parade. Thor's outfit on the left was very cleverly made by using recycled materials. Well done Mum! Last week we learnt more about Jahzekiel as student of the week.

WHAT'S ON

TERM 3

Mon 3 Sep Dental van here all week
NAPLAN online readiness
practice tests for Yrs 3 & 5

Tues 4 Sep P&C meeting 3.15 pm

Thur 13 Sep Book club orders due in

Fri 14 Sep North coast athletics Lismore

Tues 25 Sep School assembly 2.30 pm

Fri 28 Sep Last day Term 3

We have lots of students zooming ahead with literacy skills using the MiniLit program with Jodi each morning. Congratulations to Emalina for completing the 200 word list. Well done.

Our school was the Champion after handicap at the recent Macleay District athletics carnival in Kempsey. Congratulations to all students who competed.

What else is happening

We saw some great characters at our recent Book Week parade and everyone enjoyed the class activities in the afternoon. Thank you for supporting our Book Fair we now have 33 new books for the library which Sally is madly processing to get on the shelves. Some of these books were from commissions and some were kindly donated back to the school on the day.

Four students competed at the Lower North Coast athletics carnival on Friday. We are waiting to hear if they have made it through to the North Coast level at Lismore on Friday, 14 September 2018.

Thank you to those parents who have sent in a school photo order. We have decided to take another whole school group photo as the first one we took is not good enough quality and we had two students away. It's not too late to send orders in. Forms are available from the office and packs are only \$10 each.

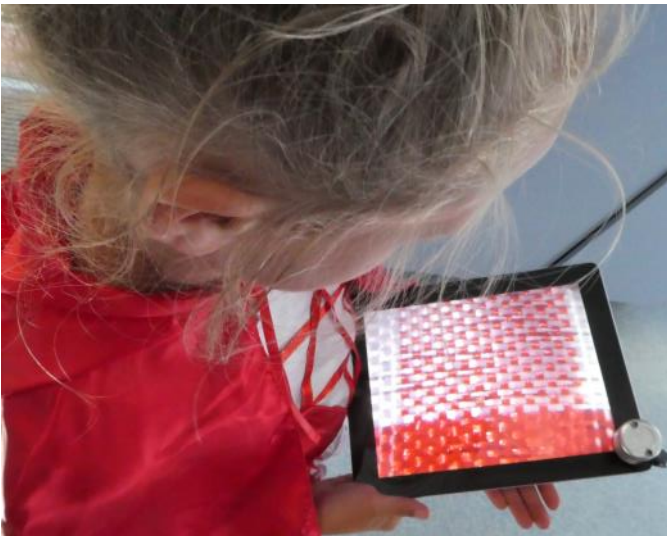

The NSW Premier's Reading Challenge has now closed. Congratulations to Ari, Lea-Ann, Natkita and Heidi for completing the challenge this year. Certificates will be presented at the end of the year.

We hope the dads, pops and uncles enjoyed their Father's Day yesterday. Thank you to the P&C for running a gift stall on Friday and for the donation of lovely gifts.

In 3-6 we have been playing Kahoot in class. It is a question based game to test students knowledge on different topic areas.

Left: Miss Crowe, Ari and Dane did some fun science experiments while the rest of the class were away. Who'd have thought Skittles could be so much fun!

BOOK WEEK

Our new iPad microscopes were great value and went perfectly with our Book Week activity for the book "Do not lick this book". Each page of the book showed zoomed in images of teeth, skin, hair, clothing etc. Children then used the iPads to check out different things around the classroom. Thor's golden hair was amazing as well as Red Riding Hood's clothing,
