Education
Public Schools

Everyone had white hands after making our last STEM afternoon project. Students had to design and create a model of a mud hut that could withstand strong winds for up to one minute. All they had to work with was some air-dry clay and toothpicks. The hut had to have a cylinder base and cone shape top.

One of the fun activities students participated in at Willawarrin School for Harmony Day.

WHAT'S ON

Week 10

Tues 2 Apr Culture day
P&C meeting 3.15 pm

Week 11

Mon 8 Apr Sarah Hobson visit

Public Schools

Uniforms

A red jumper for students to wear under the blue sports jacket is now available to purchase from the office for \$14.00.

The jumper is to be worn only under the sports jacket. If it warms up through the day, the red jumper should be removed and the blue sports jacket worn.

Cool mornings will be happening from now on and children need to have something warm to wear. Please come in to purchase uniforms with correct money on a Tuesday, Thursday or Friday.

Our school completed a Waterwise accreditation last week. We had to complete a water audit around the school and passed with flying colours. Students also participated in water pollution activities.

What else is happening

Our culture day is on tomorrow. Students from Willawarrin School will be joining us for a full day of activities. Parents and carers are most welcome to come and have a look during the day.

Sarah Hobson from Digital Technologies in Focus will be attending our school on Monday, 8 April 2019 to work with staff and students on thinking skills. Students will participate in activities that promote computational and algorithmic thinking. This is part of the new science syllabus.

The following Tuesday we will be holding an Easter Hat parade with some fun craft activities in class starting from 12.30 pm. Parents are most welcome to come along to the parade starting at 2.00 pm before our assembly.

Easter raffle and guessing competition will be drawn in the afternoon. This will be followed by our school assembly. Come in and enjoy the afternoon with us and see who receives awards.

The P&C will also be having a lunch order on the same day for a chicken burger and hot cross bun. See flyer attached.

Some of the interesting STEM mud hut designs.

P&C fundraisers

Easter raffle tickets are available from school for \$1 each or 6 for \$5. There is a first, second and third prize. Raffle will be drawn on Tuesday, 9 April 2019 along with the guessing competition.

Thank you to those parents who helped with the cake stall last Saturday and especially for the donation of cakes. A total of \$91 was raised.

Don't forget to send your Easter lunch order in by Monday, 8 April 2019.

There will also be a P&C meeting after school tomorrow at 3.15 pm. The Annual General Meeting is due to be held on Tuesday, 7 May 2019 so please keep this important date free.
