Other important information

We are still waiting on the dental consent forms from some families. Please send in by tomorrow.

Check in assessments have been completed for Years 3 and 5. This is instead of NAPLAN this year. Results will be available soon.

Remember back before COVID and the Kempsey community had donated funds for excursions for our bushfire affected kids? Well, they were cancelled of course and it will probably be a while before we can go so we have decided to send home the donated goodies we were holding. On Friday, our last day of school, we will be handing out a goodie bag to our 3-6 students, and a box of Lego to our K-2 students. A good reason to come to school on our last day this term!

Children's Book Week celebrations were postponed until next term. Making costumes out of recycled materials is a great idea for the school holidays. Our parade and activities will be held in Week 3.

Our transition to kindergarten program will start next term for children enrolling in 2021. So far we have four new enrolment forms and these must be received before any child can start the program. The program will start with two half days, Friday, 23 October and Friday, 30 October, from 9.00 am to 12.30 pm. The next three Fridays the program will run all day from 9.00 am to 3.00 pm. School uniform is not required and this can be purchased the day before school starts in 2021.

We hope everyone stays safe through the holidays which start at the end of this week.
