Each student received some more books from the Books in Home program. The books are chosen by students as part of the program to enhance self-worth through book ownership and promote reading at home.

Great to see these students have reached Silver level on our Code of Conduct.

It's great to see that these students have attended school every day in Weeks 1-5 this term.

## News

We are still operating under Level 3 restrictions which means we are unable to have non essential visitors in the school. This helps keep our students and staff safe.

Our kindergarten transition to school program started again last week. It's great to see we have seven new enrolments for 2022. The program will run for two more Fridays, finishing on Friday, 26 November.

Student Representative Council speeches will take place over the next two weeks. Please help your children and encourage them to become an SRC member for 2022.

Friday, 3 December will be our Year 6 farewell. Unfortunately it will be the same as last year with only staff and our students attending.

We are planning an environmental excursion for the last day of term to Crescent Head. Further information will be sent out soon. Please keep this day on the calendar as we hope all students will attend.

Our last day for students this term will be Thursday, 16 December 2021.

Congratulations to all students who have worked hard this term. Lots of Bronze and Silver awards for our Code of Conduct and look at all the Star of the Week certificates!

Attendance:  
  
Every day  
counts

Some more attendance prize draw winners. Our prize pool has been filled again and the more days you attend school, the more chances your name will be drawn out on Fridays.

Last Thursday we joined in a Remembrance Day ceremony at the Bellbrook Cenotaph where students laid our wreath and read poems.

## Healthy lunch boxes don't have to be boring.
