Attendance: every day counts

News

Term 4 is getting busier each week with lots of notes going out. Please keep an eye out and send them back straight away if possible.

At tomorrow's P&C meeting we will be discussing the Year 6 farewell and Christmas raffle. Meeting starts at 3.15 pm in the library - everyone welcome.

Unfortunately our speech therapist is unable to continue visiting our school at the moment. We hope this program will start again in 2023. We do still have our Occupational Therapist, Bec, visiting on Mondays to work with identified students.

Orders and payment for the P&C lunch day need to be in by Wednesday this week so that the order can be placed at the bakery. Please pack lunch for Friday if you don't get your order in by Wednesday.

School photos will be taken next Tuesday by school staff so please get your orders in on the pink sheet with money. All students will have their photo taken and should wear correct uniform on the day.

On Thursday, 10 November we have a student group coming from Crescent Head Public School to perform some music items. This will inspire our students for our current Australian Music Foundation program running in our school on Tuesdays.

Friday, 11 November is our first assembly for Term 4 where students will receive awards and present class items. Everyone welcome. Please sign in at the front office.

Intensive swimming lessons start on Monday, 21 November for 5 days. Please read the attached information carefully and return with payment as soon as possible.

Consent forms for the videoing day by Fire+Rescue NSW (yellow note with form attached) need to be returned as soon as possible. Only those students who have written permission to be filmed will be included.
