Welcome to Thungutti Country.

Students should be attending school everyday unless they are unwell. Tickets are included in the draw for every day of attendance. The more times your name goes into the draw, the more chance of winning one of our great prizes each week.

Do you have any second hand uniforms that no longer fit?

We would love to have them here at school for those families in need or those days when everyone seems to get wet or slip in the mud!

Congratulations to these three students who have completed the 2022 NSW Premier's Reading Challenge. On line entries close on 19 August 2022.
