Everyone had a great time at Kinchela Public School last week for the Education Week STEM day. It's always great for students to mix with other small schools and play in a different environment.

News

Results have been received for the Macleay District athletics carnival from last week. Only our small school relay team (Katie May, Tyler, Edward, Dixee and Hezekiah) will be competing at the Lower North Coast carnival on Friday, 18 August in Wauchope. Information is attached for those parents. Well done to all our competitors who tried their best.

The NSW Premier's Reading Challenge closed on Friday, 18th. Lots of students have been busily reading all year and most have just about completed the challenge. Certificates will be presented at the end of the year.

It's time to start thinking about favourite book character costumes for Children's Book Week on Tuesday, 22 August 2023. We love to see home made creative designs!

Our next school assembly will be held on the same afternoon as Book Week activities (Tuesday, 22nd). We hope lots of families will be able to come along and see students receive awards and watch the parade.

In Weeks 7 and 8 starting 28 August, we would like to meet with parents and carers one on one to discuss your child's progress. A booking note will be sent out next week.

The two night camp for 3-6 students is coming up quickly and we will have more details to send home shortly. Families will be able to start making payments once permission notes are ready.

It is really important that we know why your child is away on the day of absence. You can let us know by texting the school mobile, ringing the office or sending a note as soon as possible.
