Education
Public Schools

Four of our students recently participated in our first every Ten Pin bowling competition in Port Macquarie. We scored a total of 636 points. Well done to our team and thank you to our parent helper, Kate.

Dixee was the winner of our award that was presented at an official MPS assembly at Kempsey East PS. Dixee has excelled in mathematics and is working way beyond her year level. Her dedication and application to this subject area is amazing, she is a great role model for all students at our school. Congratulations Dixee!

Our chess team recently played in the Macleay Public Schools challenge. Students played really well and won several of their games. We came fourth overall with an average score of 9.5.
